“These outrageous cost overruns and delays are an unacceptable betrayal of

Specifically, this legislation:

- Provides for a presidentially-appointed Director of Cost Assessment
- Provides for a Director of Developmental Test and Evaluation and a
- Requires the Defense Department to set up a new system to track the
- Requires greater oversight and scrutiny of troubled weapons programs that
- Promotes greater use of competition in the weapons acquisition process by
- Requires DOD to take steps to prevent conflicts of interest in the weapons

Rep Herseth Sandlin concluded, “I’m pleased with the bipartisan commitment

This legislation has been approved by the House and the Senate. It has been
